## **Advanced Supervision Workshop**

### **Neurodivergent-Affirming Supervision Practice**

An experiential 1-day workshop relevant for experienced supervisors looking to develop their knowledge and skills in relation to neurodivergent-affirming supervision practice within a supportive group environment. The workshop will explore offering supervision as a neurodivergent supervisor, holding space for neurodivergent supervisees as well as supervisees working with neurodivergent clients, families and colleagues. Previous attendance to 'Are you getting enough (1), (2) and (3)?' is required. Exact course content will be negotiated with course participants to ensure relevant skills development, practice opportunities and supervision of supervision. Group number is limited to 15, so early booking is recommended

Potential topics include:

- Neurodivergence and you
- Exploring your professional frames of reference
- Historical context and implications for supervision
- What does a neurodivergent supervisor look like?
- Good practice guidelines for neurodivergent-affirming supervision practice
- Skills practice in triads with opportunities for peer and tutor feedback

**Course fee:** £195.00 per person per course

**Early bird fee:** £150.00 per person per course

Available for bookings and payments made in full **2 months** in advance
